Sub: orientation workshop on community Hall construction.

As you are aware MegLIFE project has a target of constructing 370 community halls in Group -I villages for the year 2023-24. Accordingly, funds are transferred to the accounts of respective VPICs and field engineers are deployed in all blocks for overseeing the construction activity in respective villages.

However, the actual construction will be implemented by VPICs being the implementing agencies. It is therefore, pertinent that a construction committee required to be formed in these 370 VPICs where at least 2 persons from every VPIC having construction related knowledge shall be taken as members. The 3rd member shall be from Local Purchase Committee (LPC) and 4th member shall be Village Community Facilitator (VCF)

The following will be the composition of the construction committee of the VPIC-

Member.....person having construction related experience  
Member.....person having construction related experience  
Member.....Member of LPC  
Member.....VCF

You are directed to constitute this 4 member construction committee form each of the VPICs constituted by Executive Committee of the VPIC and nominate them for block level orientation workshops to be held in April, 23 organized by the Resource Agency (Jwatbor Cajee & Associates, Shillong) engaged by the SPMU, MegLIFE. The resource agency will also conduct site visits to the VPICs for facilitating construction activities of community hall.

The expenditure on account of the block level orientation workshops followed by site visits shall be borne by respective VPICs, clubbing the fund at Block level which will be facilitated by BPMs. The amount of Rs. 8,475/- (rupees eight thousand four hundred seventy five only) per VPIC has been placed under head of 2.3.1 Workshops to prioritize/determine EPA and decide village's contribution (unskilled labor, materials).

Depending on actual expenditure per orientation workshop and site visits and raising of VPIC wise invoice by the resource agency VPIC shall make payment maximum 50% of the total amount placed i.e. Rs. 4,237.5/- (Rupees Four Thousand two hundred thirty seven and fifty paise only) per VPIC to the resource agency as per list enclosed (this is list of 298 VPICs which has been entrusted to the Resource Agency).

You are directed to submit list of nominated construction committee members (selected by EC of VPIC through conducting EC meeting and passing resolution) from each VPIC by 7th April, 23 to SPMU, MegLIFE so, that construction of community halls could be started at earliest.

This shall be treated as most urgent.
